Gretchen Haynal, Member
Leslie Hytonen, Member

Annemarie Stover, Principal
Jill Keith, Assistant Principal

Welcome and Roll-Call

- All members were present.

Minutes

- The minutes from the December 5 meeting were approved.

General Discussion

- FACES PRESENTATION—Misty Miller reviewed FACES resources at Thomas Elementary. She shared that everything is free that they offer. A calendar was given to the team. Ms. Miller showed the team the literacy and math workshops (most sessions are 45 mins to 1 hour). SOT team shared the sessions that we think are important for Paradise PDS. There was interest shown in the STEAM workshops. We will schedule 3 weeks or more in advance. Ms. Miller shared that the sessions the team chose are good ones to implement and are popular. Those are:
    - 100 Ways to Raise a Reader
    - Attendance Matters: Provide a choice to parents so they come, this can be done in small groups with administration.
    - Comprehension Puzzle
    - Stop Summer Slide
    - Read by Grade 3 session: Good attendance in these early years, treating it as a "job", how to notice sudden changes and what to do about them
- There are workshop "samples" on YouTube for all workshops
- Other sessions that are popular: any math session with hands on activities.
- We may use FACES for Family Literacy Night during Nevada Reading Week.
- Ms. Miller will come back and explain workshops to the Friday morning parents.

- SCHOOL PERFORMANCE PLAN—The team reviewed proficiencies in each grade level. Team discussed how we are a transient school (52.9%).

    - Math performance is continuing to struggle in our school: What can we do about that?
    - SPP data can get more specific as we progress through the school year.
    - I-Ready Data was reviewed: 58% growth for math for the school
    - Gather online tools for parents, go back to basics for math facts
    - The team discussed the possibility of having CTT positions for sight words and math facts, etc.

- ADDITIONAL DISCUSSION POINTS
    - Google Doc will be pushed out to the staff regarding budget allocations, and they will have input.
    - Nevada Reading Week: Have a station with best websites for reading and math (I-Ready) Superheroes theme to collect badges for Nevada Reading Week
    - The Family Learning Program that meets on Friday mornings is working on raising money for 1:1 iPads for grades K and 1.
    - By the 2020-2021 school year, CCSD will have mandated curriculum in technology for coding, specifically.

Public Comment Period (Two minutes maximum per person allotted)

- None

Next SOT Meeting

- Wednesday, January 30 at 3:00 p.m. in the Paradise PDS Library

Meeting adjourned – 4:30 P.M.
